Just like empires, companies can come and go with the times. However, there are some that last for ages, and great leadership is the secret. Great leaders have the ability to motivate employees, help others see and believe in a vision, and lead innovation in the company. Having a great leader at the helm is something that all investors, consumers, and employees want.

[Junior League of Grand Rapids](#)

Those guided by empathetic leaders will likely have an easier time working through their stresses, while others operating under a "business as usual" manager may become disengaged and resentful.

Powerful leaders have the ability to shape history, and a select few have the distinction of truly changing the world. Here are five influential leaders who did just that. Nelson Mandela (1918-2013)

[Save the Dunes - General Donation](#)

Many years ago, I made a short film for the Harvard Business School about the lessons that Abraham Lincoln ' s life offered for modern leaders. I interviewed a range of CEOs, asking them what they ' d learned from the 16th president. Their responses were wide-ranging and profound; many continue to influence my work on leadership.

[Books with Stories of Extraordinary Women](#)

changes. If teachers and leaders believe that an initiative is inappropriate for their children or students, they are unlikely to implement it with enthusiasm. Hence, governments would like schools to have visionary leadership as long as the visions do not depart in any significant way from government imperatives.

[Japanese Visionary Women BrandVoice: Empowering Women ...](#)

Last week I talked to a former Harvard Business School professor about leadership. He said he he was surprised how little leadership appears on the business school

curriculum. Sure, there's one required leadership class first year, but it's often not taken as seriously as the other subjects. It is sometimes perceived as a soft, fuzzy, even unteachable, skill.
